VOLUME XI

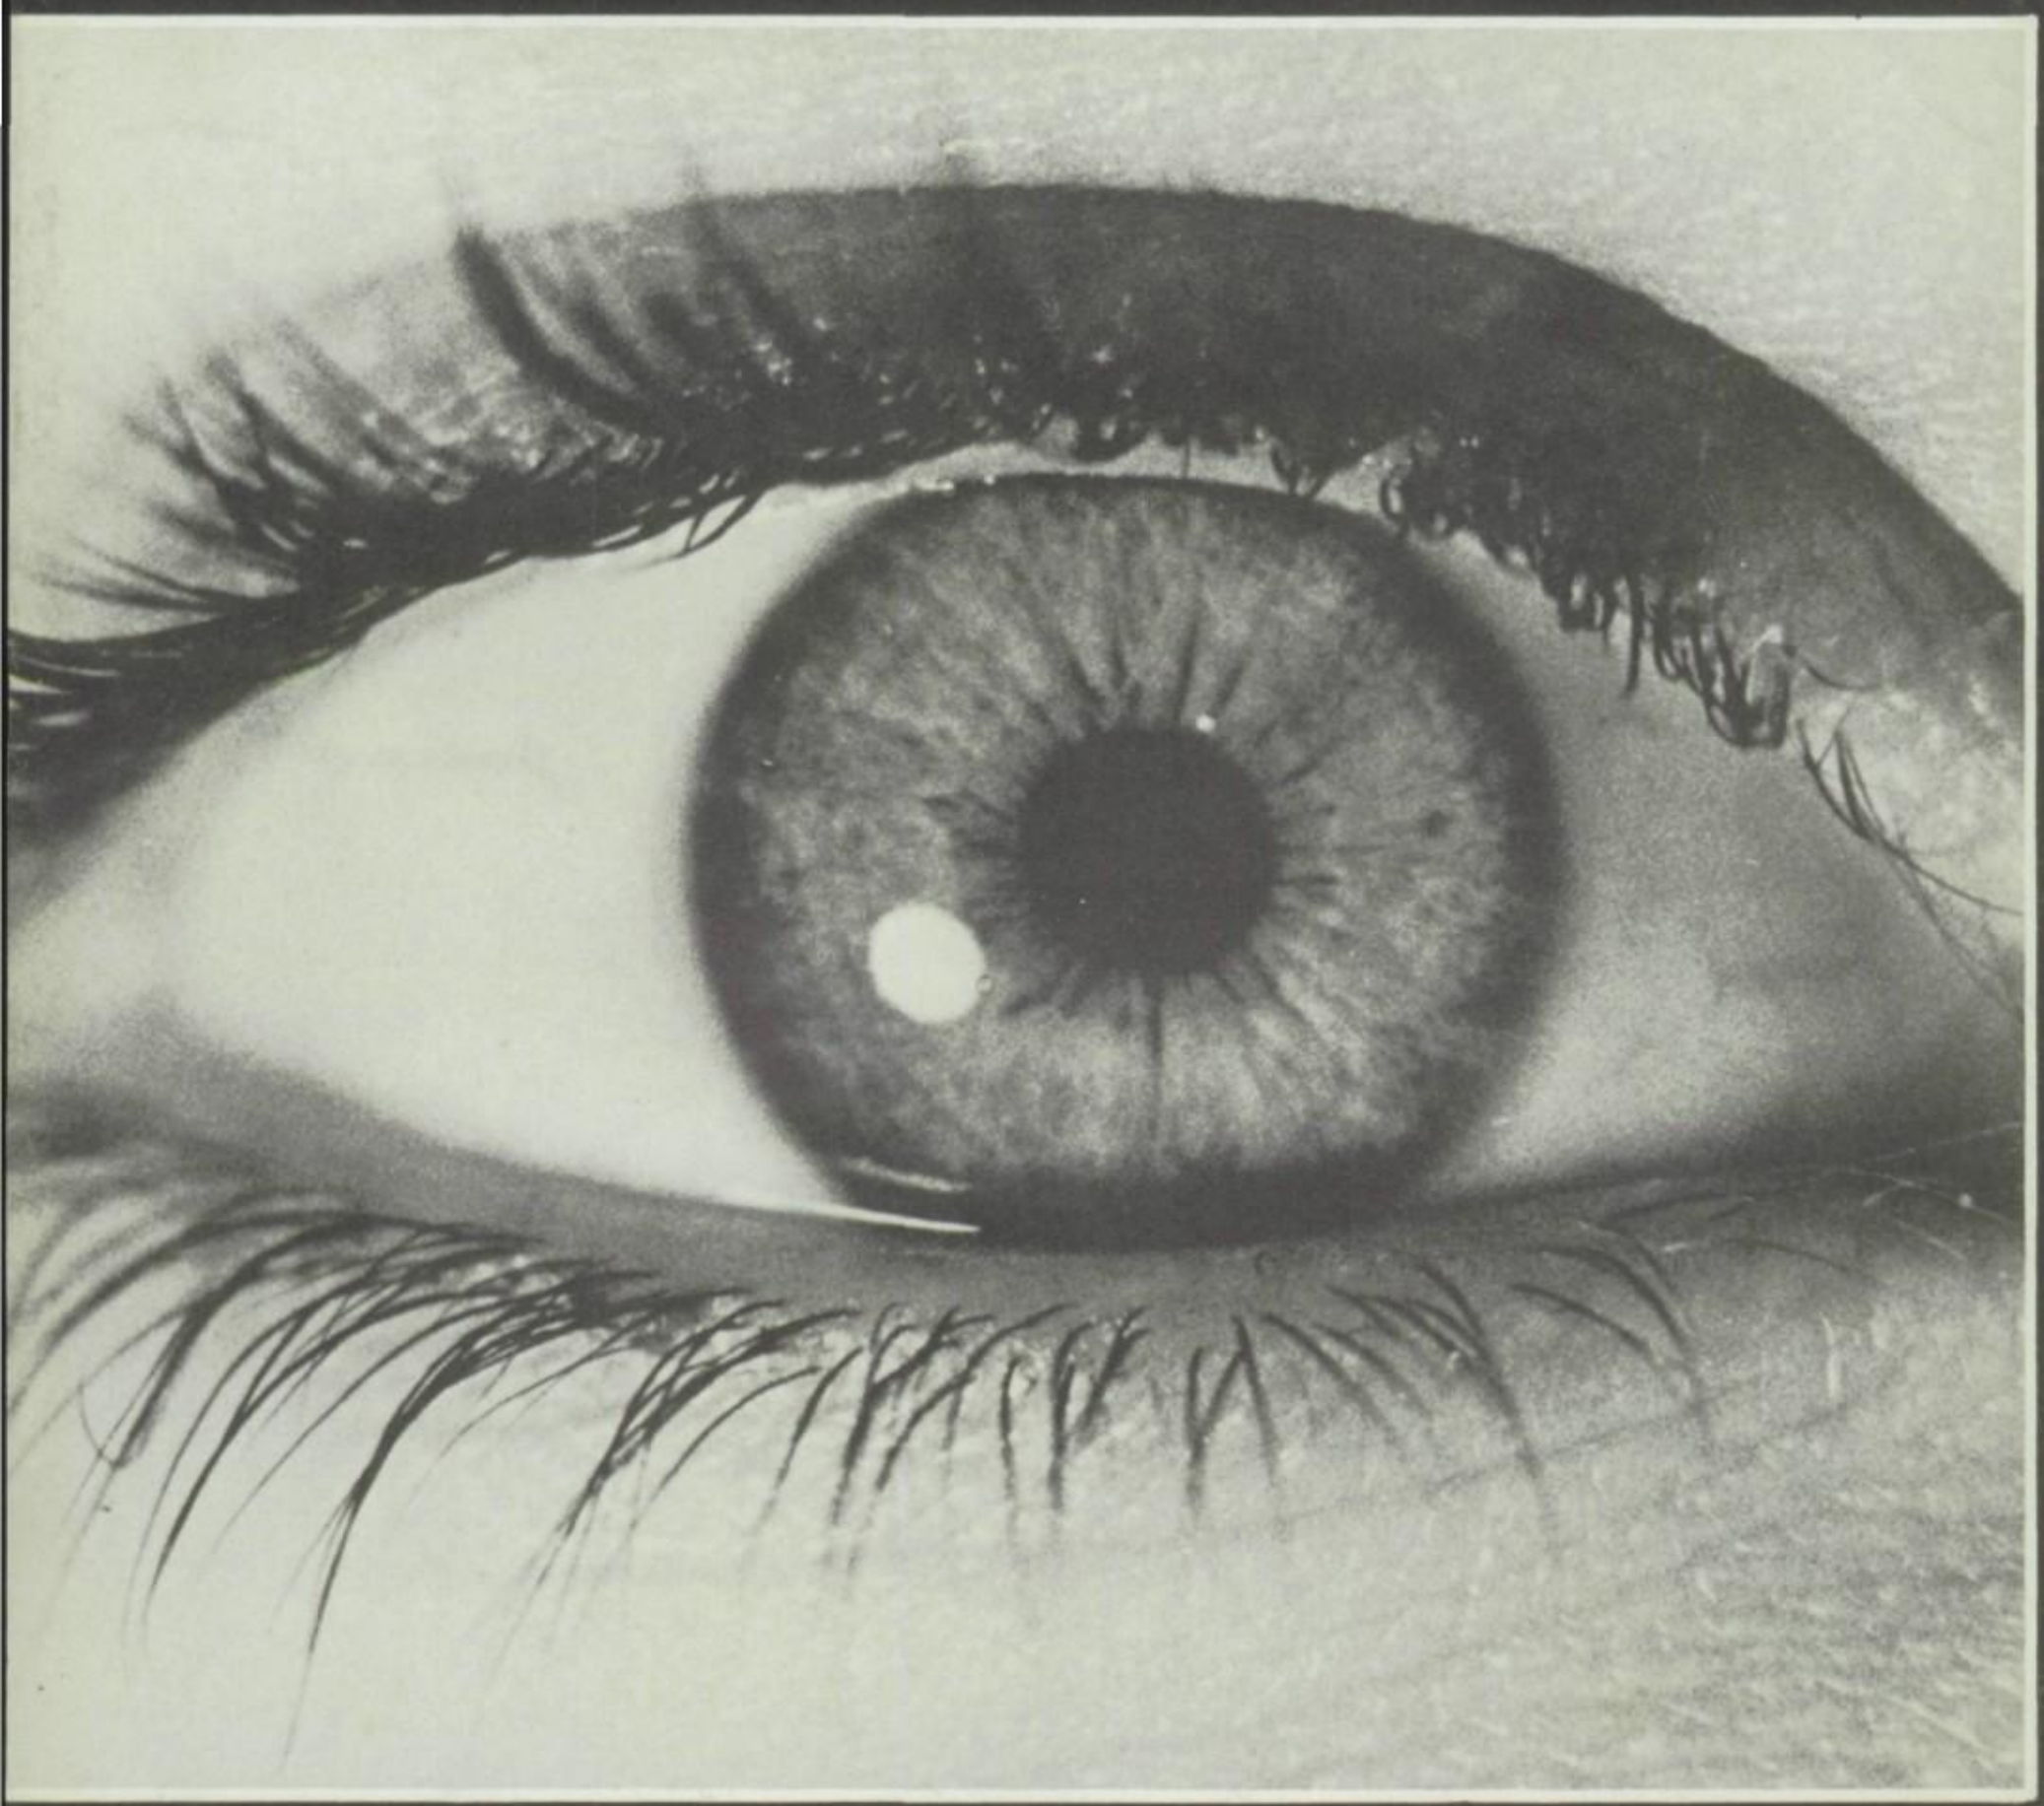
BIG FOOT HIGH SCHOOL

Of all we see

have seen

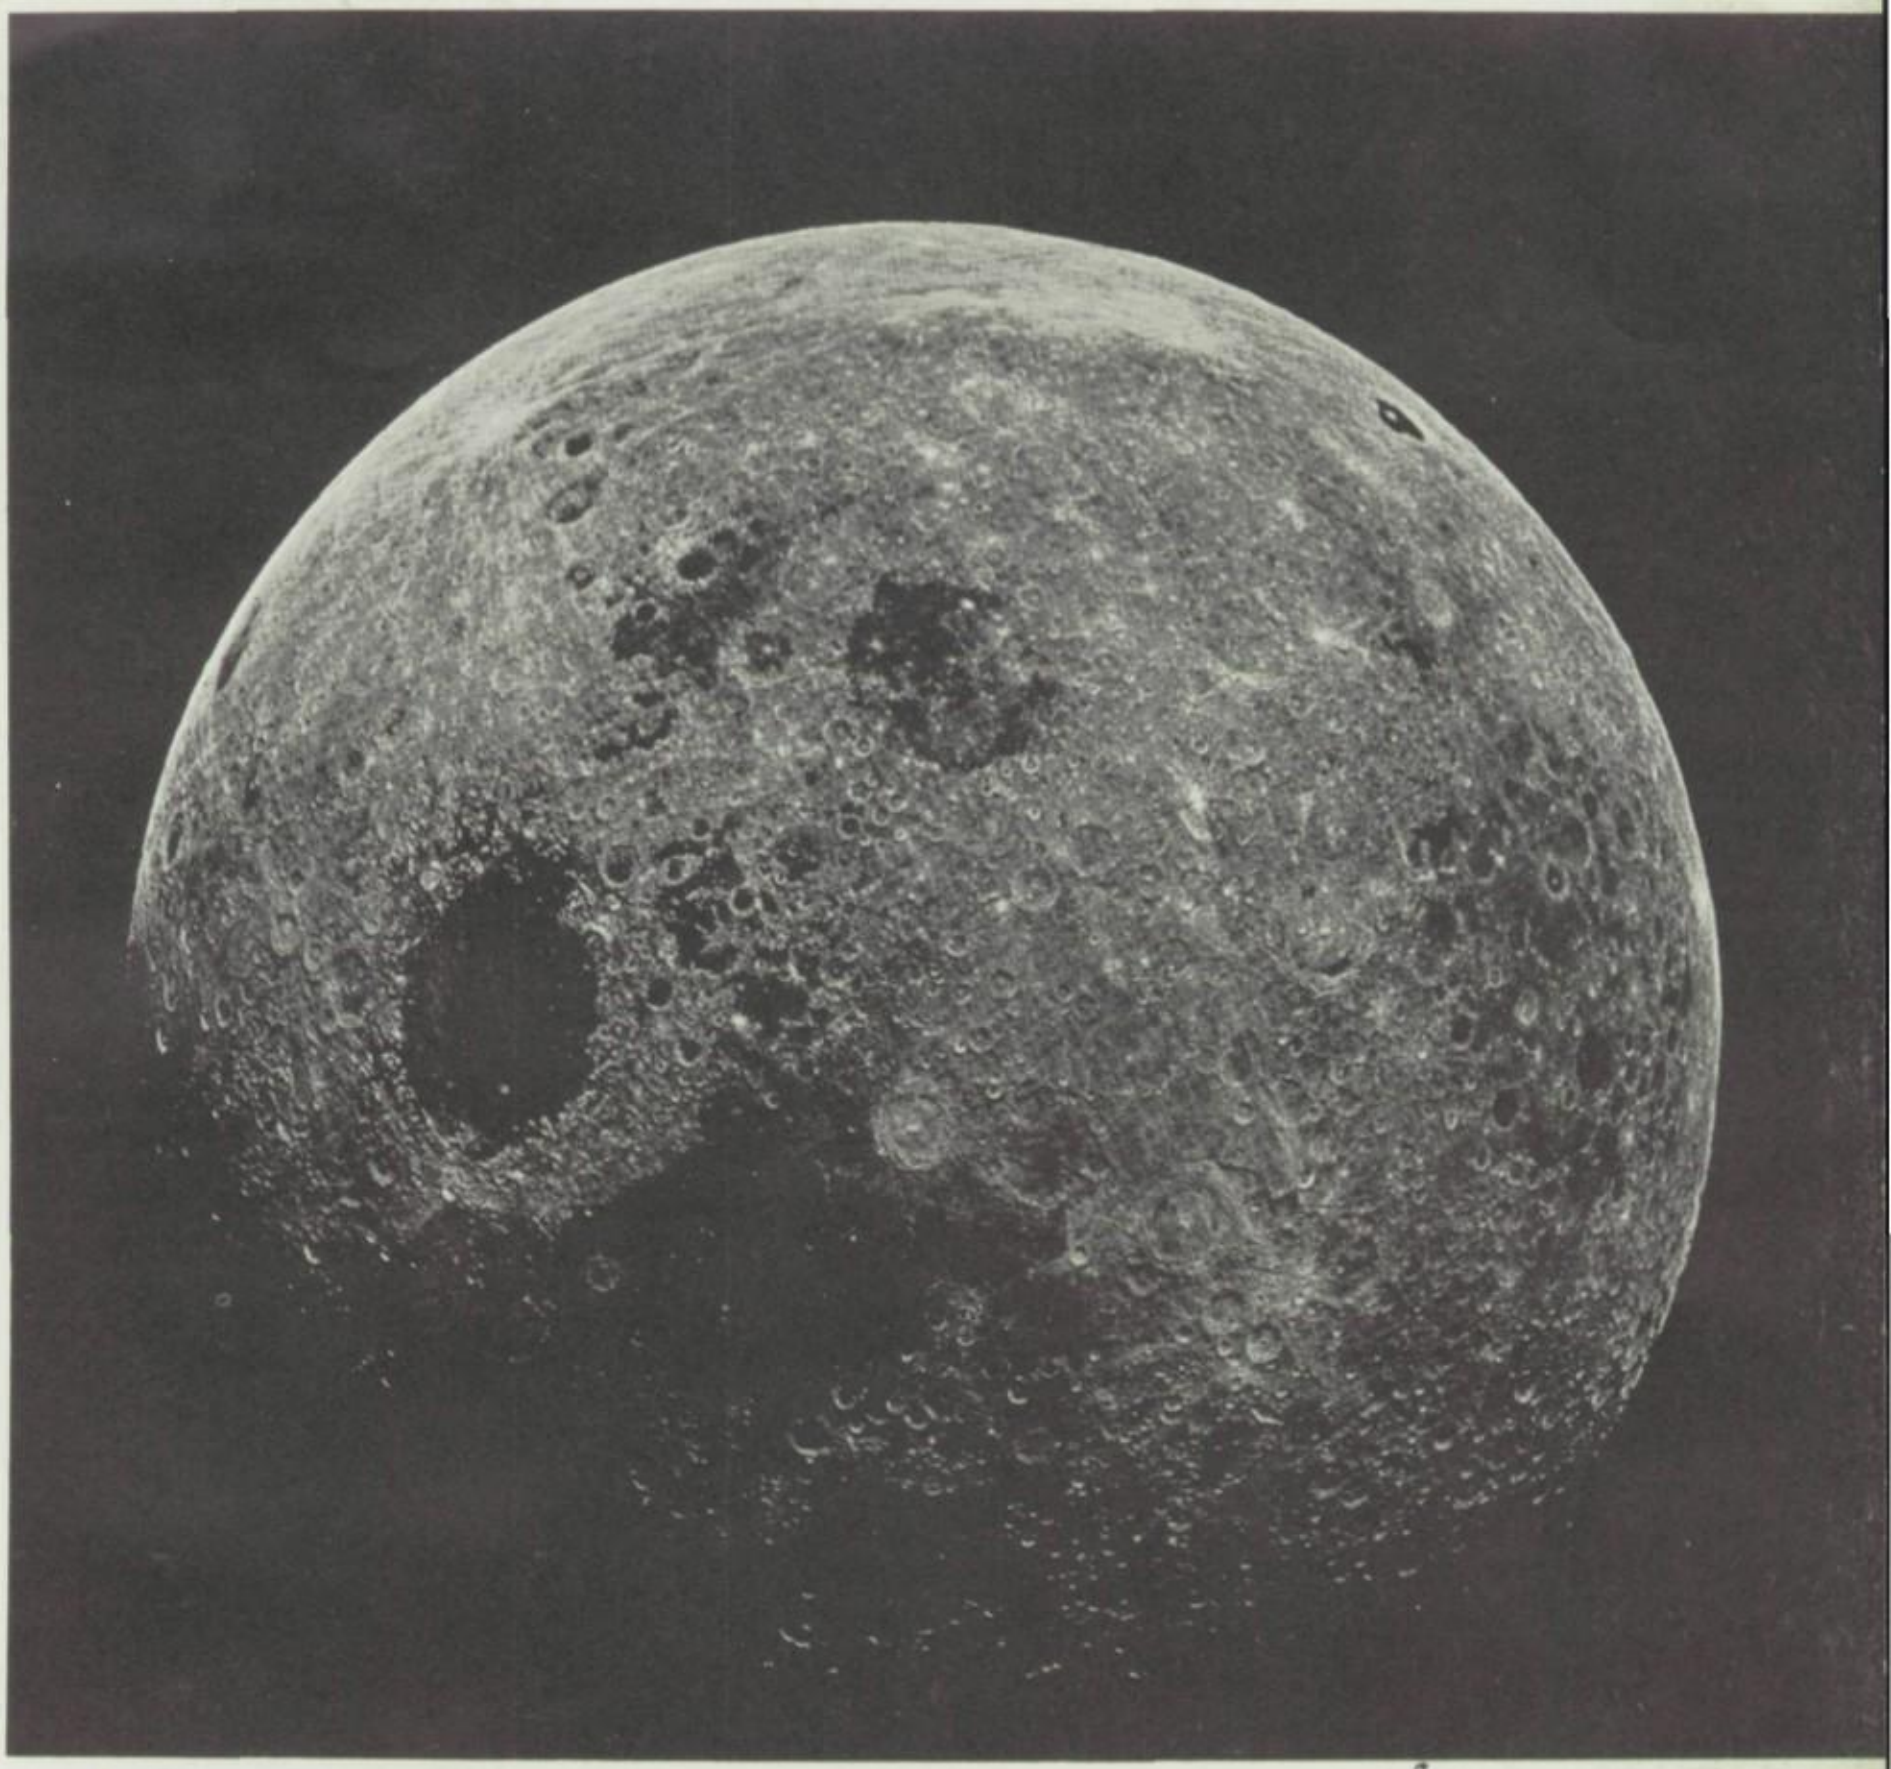
or will see...

here is a part of it.



Preserve your memories...

they never leave you.



We have worked and waited

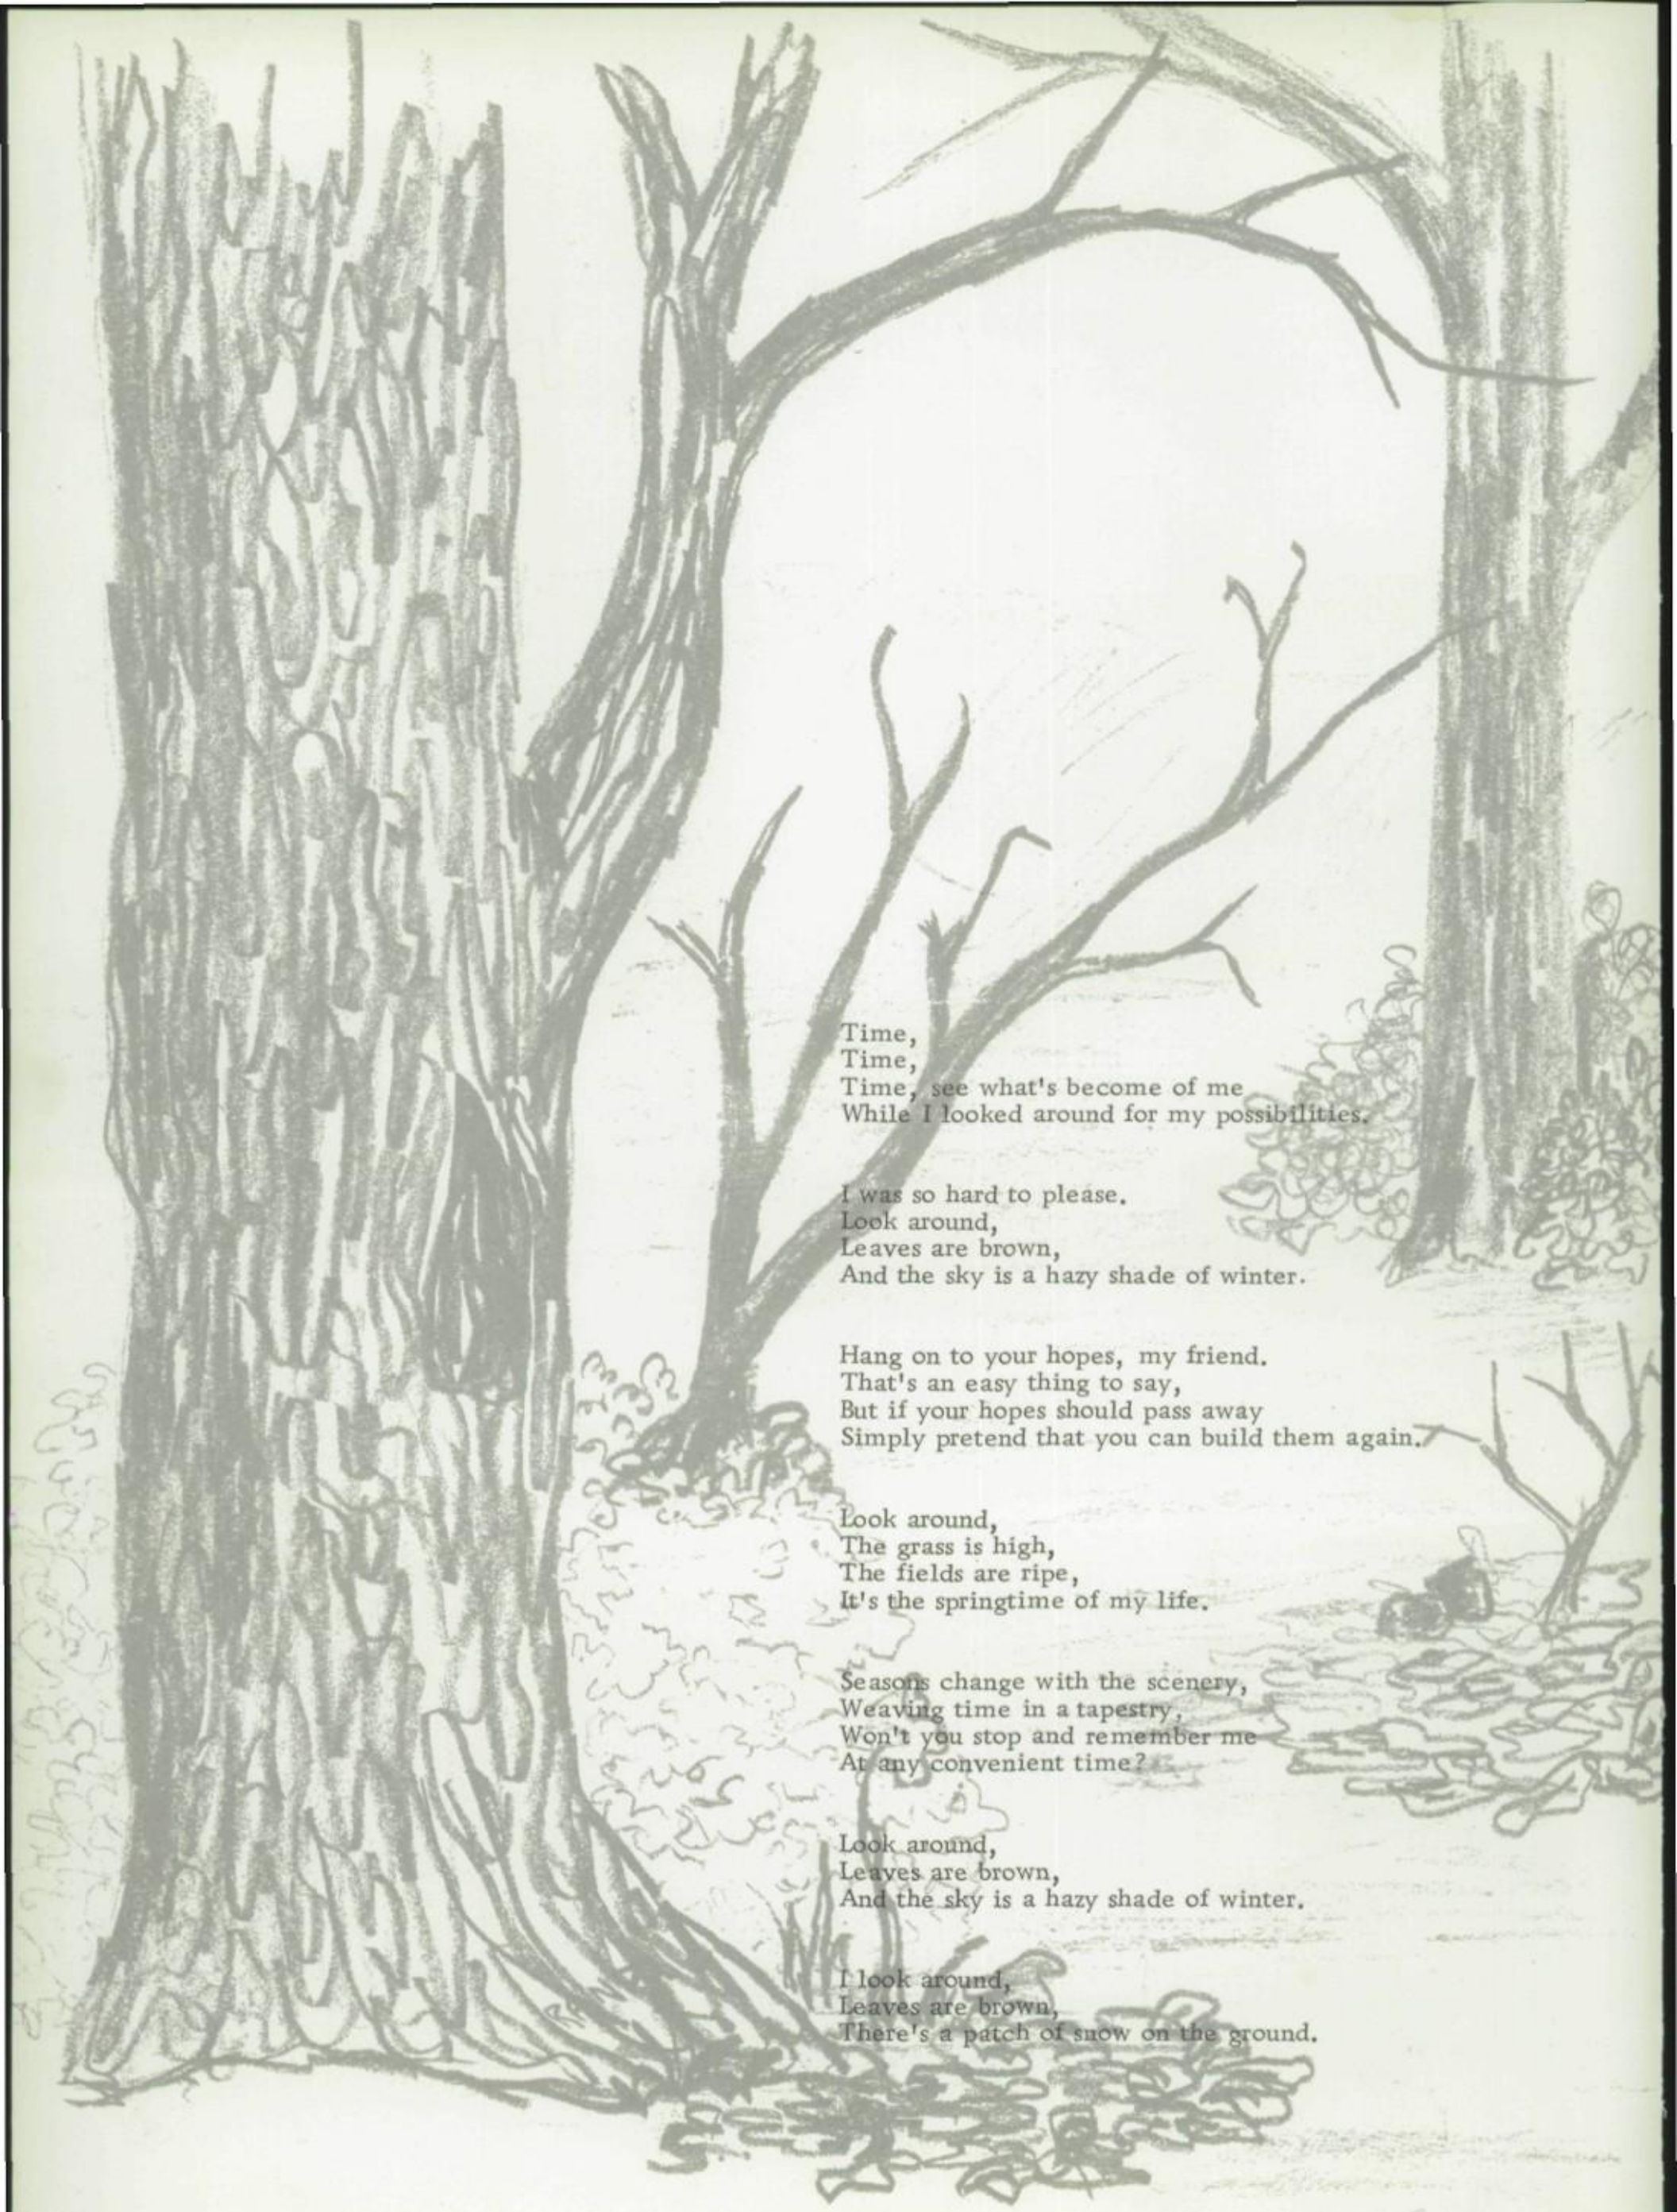
patiently...

to see how far we could go...

but only some would venture

guess...

and now we know.



Time,
Time,
Time, see what's become of me
While I looked around for my possibilities.

I was so hard to please.
Look around,
Leaves are brown,
And the sky is a hazy shade of winter.

Hang on to your hopes, my friend.
That's an easy thing to say,
But if your hopes should pass away
Simply pretend that you can build them again.

Look around,
The grass is high,
The fields are ripe,
It's the springtime of my life.

Seasons change with the scenery,
Weaving time in a tapestry,
Won't you stop and remember me
At any convenient time?

Look around,
Leaves are brown,
And the sky is a hazy shade of winter.

I look around,
Leaves are brown,
There's a patch of snow on the ground.

Life is like a staircase.
Climb it. . .slowly.
Don't miss a step. . .
but don't linger too long on one.
Try and reach the top. . .
but most of all. . .
don't fall down.

individuality
is
a
rarity.

face reality

be original

The hardest person you may ever have
to compete against may be yourself.
MAY THE BETTER MAN WIN.

success
comes
in
doing
best
what
you
can
do

My thoughts are not your thoughts,
neither are your ways my ways.

DEDICATION

You might say that this teacher is very unique.

He attended Big Foot as a student, student taught under Mrs. Knilans, and now has taught for five years in the English Department. His main interest being athletics, Mr. DeVine has served as assistant football coach, J. V. basketball coach, leading his team to second place, and as advisor to Letterman's Club. Because of his willingness to devote his time and energy to the activities of Big Foot High School, we the 1968--1969 TOTEM Editors, proudly dedicate this yearbook to Mr. DeVine.

FOREWORD

The year of 1968--1969 has been quite a year for everyone at Big Foot. The purpose of a yearbook is to comment on and reflect upon the year it represents. This years activities, not only at Big Foot but throughout the world, have been similar to past years, yet some things have been new and different. This is what our yearbook is. Some of it is the same- but some of it is new and reflects the freedom of expression in our generation. It is not necessarily true that all new and different things are good, but it is true that something new and different can be good. This is our hope for the 1969 TOTEM. We have spent a lot of time and hardwork, combined with a lot of friendship, co-operation, and fun, in making this year's TOTEM one of the best. As you take a further and closer look at it, we know you'll like it.

HOMECOMING "68"

Junior's 1st place sign

Homecoming "68"-quite an exciting week. Starting with a lot of hard work, ending with great results and adding a lot of spirit in between made our Homecoming something really special. A very competitive sign contest, a terrific bonfire, great floats, a hard-fighting game, and a super soul dance all contributed to make Homecoming "68" the greatest yet!

SOUTH AMERICAN EXCHANGE STUDENTS

Fausto Soares (Tico) came to Big Foot in August under the AFS Program which strives to promote better understandings between people of different nationalities. Tico has been spending this year with the Robert Ward family of Fontana.

Ricardo Cury and Donilo Rebori came to Big Foot in December under the International Fellowship Program. During their three month stay, Ricardo with the Howard Polyock family of Zenda, and Donilo with the Edwin Fay family of Walworth, both boys experienced a little of life in the United States.

It is hoped that though these exchange programs both the exchange students and the students from Big Foot will benefit and perhaps bring a new light of world understanding into our troubled world.
